## SUMMARY

---

### About me:

Passionate and well trained in Computer Science and Information Systems through the BSc IT program at North-West University. I consider myself highly motivated and detail-oriented graduate with hands-on experience and a strong foundation in database management, IT infrastructure and software development with the ability to use a wide variety of programming languages to build scalable and efficient solutions. I consider myself a team player and easy to work with in a group setting with a proven ability to analyze a problem, develop a creative solution, and deliver results. I am also very eager and willing to learn and gain further experience and contribute to a dynamic team and help drive innovative solutions within a fast-paced environment.

## SKILLS

---

### Technical:

- **Programming Languages:** Java, C#, C++, SQL, Python, Node.js, Dart
- **Development Tools:** Visual Studio, Visual Studio Code, CodeBlocks, Oracle, Atom, FlutterFlow
- **Software & Tools:** Microsoft Office Suite (Word, PowerPoint, Excel), Revit, AutoCAD, TurboCAD, SketchUp, Adobe Photoshop, InDesign, Acrobat
- **Platforms & Systems:** Windows, Ubuntu
- **Database Management:** MySQL, SQL Server
- **Data Analysis & Modelling**

### Soft Skills:

- Teamwork & Collaboration
- Adaptability to Various Environments
- Effective Communication
- Problem-Solving and Critical Thinking
- Effective Time Management
- Ability to Meet Deadlines

## Experience

---

Through the BSc IT program I have gained experience in not just identifying problems and developing a solution through individual projects, tests, and assignments, but I have also had the opportunity to work in multiple group-oriented projects allowing me to develop and enhance many skills required for a group setting.

## Education

---

### Marist Brothers Linmeyer

2006 – 2019

### Qualifications:

Matric Certificate/National Senior Certificate with degree pass

### North-West University

2022- 2024

### Qualifications:

Bachelor of Science in Information Technology
